Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

The Liberty Theatre at Camp Fremont opened on Thursday evening. The splendid program was enjoyed by over 800 people.

The register closes this evening. If you want to vote at the primaries you must register today. Don't forget that it is your civic duty to vote. If you fail to register you fail in this all-important duty.

Mrs. Thomas Fitzgerald and her pretty daughter, Catherine, are spending a few weeks at Santa Cruz by the seashore. Mrs. Fitzgerald will be joined today by her sister, Miss Nellie McCarthy.

The stork left a baby girl at the home of Mr. and Mrs. Harry Morey Jr., on Tuesday, July 23, 1918. The new arrival completed a happy group of three boys and a girl. Mr. Harry Morey Sr., the proud grandfather, is the happiest man in town. He certainly is proud of his grandchildren.

John Cullen reached France with his regiment from Camp Lewis during the week. His grandmother, Mrs. McNally received a card yesterday announcing his safe arrival at the front.

William Kirby, a local young man has been promoted a sergeant at Camp Fremont. Mr. Kirby has been in the service for nearly a year and has worked diligently for a promotion.

Lieutenant Stanley Thomson is here for a few days on a short furlough from the Presidio to bid his parents and friends farewell. He expects to start for the front in France in a few days. The lieutenant is a graduate of Sequoia Union high school and is attached to the 63d infantry of the Presidio.

Mr. and Mrs. Joseph Donohoe of Menlo Park entertained Lieutenant-Commander Robert Lee, U. S. N., and Miss Louise Winston of Los Angeles as their guests over the week-end Commander Lee is stationed at the Union Iron Works at present. He is a member of the famous old Southern family of that name.

Major General Graves was given a reception at the Officers Club on Wednesday evening. A full regiment band was present discoursing sweet music. All the officers were in attendance, many of whom met the distinguished general for the first time. General Graves was gracious in meeting his assistants making a pleasant speech and greeting all with splendid cordiality.

J. J. Bullock, the candidate for district attorney, was greeted here on Tuesday. Mr. Bullock is not unknown to the people of Menlo Park. As a very young man he came here as station agent, serving in that capacity for a number of years during which time he studied law. All the old-timers know his worth and all are going to vote for him. Mr. Bullock will receive an overwhelming vote in Menlo Park.

The distinguished churchmen from all portions of the country who were in attendance at the National Educational convention held in San Francisco during the week, were visitors at St. Patrick's Seminary yesterday. Among those who were here were Bishop Carroll of Montana, Dr. Peace L. L. D., and Rev. James A. Burns of the Catholic University at Washington, Dr. Howard of Columbia and Bishop John Cantwell of Los Angeles.

FOR SALE—Two lots on Oak Grove avenue. Apply to D. E. O'Keefe at residence on avenue.

The new Knights of Columbus building at the base hospital and remount depot will open in the next fortnight. Edward P. Murphy is booked for secretary of the building Murphy is a labor man of some prominence, having been fifth vice-president of the wire, metal and lath union of Cleveland, O., for six consecutive years. He is also an organizer of considerable note.

WOODSIDE NOTES

The register closes today. If you want to vote at the coming primaries get your name on the register right now.

C. E. Wilent, the popular candidate for justice of the peace of this township, was here during the week calling on the voters. The young man made a good impression and will receive a large vote in Woodside.

The Woodside school opened on Monday with a big attendance. The same teachers that taught last year were retained. Miss Clennan, the principal spent her vacation in Alameda while her assistant, Miss Patrick went to Ohio to visit her parents.

P. P. CHAMBERLAIN

P. P. Chamberlain, the old reliable treasurer who has watched the money box of the county for over thirty years, will receive the largest vote of his career at the coming election. Mr. Chamberlain has made an efficient and courteous official, one who attends strictly to the affairs of his office. Anyone having business with his department is sure to receive courteous treatment. During his long years of service he has handled millions of dollars of the county money and every cent has been strictly accounted for to the people. Grand jury after grand jury has counted the cash and has found every cent in the vaults. Mr. Chamberlain has the confidence of the people who will re-elect him by a tremendously large vote this year.

PUBLIC MISLEAD

In a scurilous and vicious manner the District Attorney, attacked and impunged his opponent, Mr. Bullock, by means of a pamphlet, just forced on the public. Mr. Swart seems to have forgotten that there is etiquette, even in politics, seems to have forgotten that the days of misleading the public are over, seems to have lost all trace of personal truth and righteousness. Bitterly and dastardly accusing his opponent of acts, highly miscolored, distorted, and transposed, attempting to impregnate in the people's minds that because of Mr. Bullock's successes against his (Mr. Swart's,) the reason therefor must have been the framing of juries. Such a statement is indeed absurd, as are the other issues in his pamphlet.

Judge Geo. H. Buck, has openly endorsed the candidacy of Mr Bullock for district attorney, and Mr. Swart, in an attempt to discredit this endorsement that Mr. Bullock is trying to drag the Superior Court into politics, again showing his miscoloring and distorting temperment.

The days of such politics are over, tricks as these were used in the old days to belittle opposition by steam roller methods, but in these times they are out of place, the wide-awake public know the issues and the people feel that they are capable of judging the merits of candidates, without such unprincipled attacks being made

MISS LYDIA PATRICK AND FRANK NOLAN WED

Miss Lydia Patrick of Redwood City became the bride of Frank Nolan on Saturday at St. Mary's Cathedral in San Francisco. The wedding, which was in accord with most weddings of today, was a simple one, attended only by the immediate relatives of the two families. Mrs. Nolan, who is the daughter of Mrs. Patrick of Redwood, a graduate of Norte Dame academy, is one of the popular members of the Redwood younger set. Nolan is a Stanford graduate. After a honeymoon in the south which is being made by motor the young couple will make their home in Redwood City. Up until recently the pretty bride was chief stenographer for the Standard Mortgage Corporation of this city.

MRS. ROSE HOPE BRINGS ACTION FOR DIVORCE

Rose E. Hope has commenced an action in the superior court against her husband, Fred M. Hope for an interlocutory decree of divorce. The Hopes were married in San Mateo county on May 16, 1918. Soon after the plaintiff discovered that her husband was of unsound mind. She met Hope at a dance and as is was a case of love at first sight a wedding followed in a short time after Hope's hallucination is that he is a sergeant at Camp Fremont, but he is not. Mrs. Hope asks that she be permitted to use her maiden name, Rose E. Lair.

BIG GOVERNMENT CONTRACT

County Surveyor James V. Neuman has received an extensive contract from the U. S. government to make a survey of the three radio stations in the northern part of the county. This work will take some weeks before it is completed. Mr. Neuman is also busily engaged in completing a report for the war department of all the roads, bridges, and pavements of the county. He is to give the department a report of the general characteristics of the thoroughfares of the county.

COUSIN TO ADMINISTER THE FERRARI ESTATE

A. Torriglia has applied in the superior court for letters of administration upon the estate of Louis Ferrari, who died on June 5, 1918, at Portola. The estate consists of a house and lot in South San Francisco valued at $1500, cash in bank amounting to $200 and other personal property. The petitioner is a cousin of the deceased. James T. O'Keefe is the attorney for the estate.

TEACH AT HALFMOON BAY

Miss Genevieve D. Luff, a graduate of the University of California, has been appointed a domestic science and physical culture teacher in the Halfmoon Bay high school. She takes the place of Miss Matthews who has been appointed a physical culture teacher in the Sequoia Union high school.

"Loyalty to the moral principle involved in this war is not to be measured from the American date of hostilities, for the German cause was just as abominable before April 6, 1917, as it was after that."—The Literary Digest, 7-20-18, page 11.

W. J. McGARVEY MET WITH SAD ACCIDENT

Thursday afternoon W. J. McGarvey met with a sad accident at the home of Mrs. Dollie Granger on Phelps street where he has been staying for some months. He slipped and fell in the yard sustaining a fracture of the left leg just below the knee and at that point of the limb which was injured by a gun shot wound nearly forty-five years ago. Mr. McGarvey was removed to his apartments where the patient was given first aid by Dr. F. S. Gregory who dressed the wound. In making an incision in the fracture he removed three pellets that remained in the leg for forty-five years as a result of the accident occuring at that time. Mr. McGarvey will be removed to the Redwood City hospital this morning when Dr. Gregory will amputate the leg above the knee. This operation would have been performed yesterday but the patient would not consent to it. This limb has caused him untold suffering for many years and it is believed its removal will be beneficial to the patient. However, Mr. McGarvey is in such a weakened condition by long years of sickness that it is doubtful if he will recover. For a long period of time he has been a martyr to rheumatism and other ailments brought on by his injured leg. It is doubtful if there is another man in the state that has suffered the physical pain that Mr. McGarvey has.

Mr. McGarvey is one of the best known men in Redwood City. For many years he was deputy county clerk and recorder. At one time he was accounted the most skillful penmen in the county. He is a brother of Henry McGarvey, the capitalist.

GOOD NEWS FROM THE FRONT .. WAS CAUSE OF JOLLIFICATION

Thursday night the good news of the success of the allied armies at the front was duly celebrated by the people of Redwood City. Whistles were tooted, the fire bell rang, horns were blown and for a while there was a loud acclaim, all cheered the great victory. Patriotism was given full swing. Oh, if the kaiser could have heard the noise, it would have made him sit up and take notice and understand the feeling of the American people.

OBJECTS TO $250 FEE

Belle J. Moore, one of the heirs of the N. J. Brittan estate, filed a petition in the superior court yesterday asking that the final account of the special administrator, Fred Kendall, settled some time ago be set aside and amended directing Mr. Kendall to account for sale of water from the Brittan ranch amounting to between $800 and $1000. Mrs. Moore also objects to the fee of $250 allowed the special administrator.

PAY ANNUITIES WHEN DUE

Judge Buck on Thursday made an order directing the executors of the last will and testament of Josephine A. Phelps, deceased, to pay the annuities, E. McLean, and Alfred A. McLean the sum of $600 each, balance due them. The executors were also directed to pay the annuities when they fell due each month.

BUILDER'S CONTRACTS

The following builder's contracts were filed in the county recorder's office during the week:

Leadley and Wiseman agrees to make alterations and additions to a two-story frame building for Mario Isnardi in 90 days at the San Mateo City Homestead for $2,722.

S. Schell agrees to erect for Joseph Reichel in 100 days a two-story hotel building at South San Francisco for $30,590.

A TRUSTEES' DEED FROM CALIFORNIA JOCKEY CLUB

The Anglo and London Paris National Bank of San Francisco on Thursday filed a trustees' deed in the recorder's office to the Tanforan property near South San Francisco. The realty was owned by the New California Jockey Club that gave a trust deed of the property to the banking institution for a big loan. Some weeks ago the bank foreclosed the trust deed and took over the property. The stamps on the instrument amounted to $128 indicating that the sum of $128,000 was involved in the transaction. The late Thomas Williams was the promoter of the New California Jockey Club. It is not known what disposition the new owners will do with the choice realty.

A NOTED INDIAN CROSSES DIVIDE WELL KNOWN IN THIS COUNTY

Old "Indian Jim" is dead. He passed away at the county hospital in Santa Clara county recently after a lingering illness. He was a widely known character on the peninsula in early days. Jim was a native of California, aged 76 years.

Jim was known as Jim Martin. His obituary has been written more times than any other man in the state. Several times within the past ten years the papers have had him dead and have given him long write-ups. This time, however, he has departed for the happy hunting grounds beyond never to return.

Dennis Martin, who came across the plains to California from the east with the Murphy and Donner parties in 1846 and on entering the state Martin found the boy on the plains and brought him along to Sutters Fort.

When he was a child his parents died, and little Jim was given a good home by the late Dennis Martin, who was a well-known pioneer of California, and it was then that the deceased took the name of Jim Martin.

When he was 11 years of age a number of Indians stole little Jim, and at the same time they took several horses from the Martin ranch near Portola. The Indians were overtaken and Jim was returned to the Martin home a happy boy. About eight years ago, owing to failing health, he was admitted to the alms house and later to the county hospital, where he passed away.

The death of Jim recalls the career of Old Dennis Martin who died in the early nineties in San Francisco and was buried in the graveyard which he himself had provided for the public in the days of his prosperity. Martin died almost penniless although in the early days he was possessed of vast wealth but long litigation swept away his fortune. He purchased the Pulgas Rancho but owing to a flaw in the title he lost the vast tract of land comprising many thousand acres extending from the mountain to the bay which include nearly all the cities and towns of the peninsula. Martin spent thousands of dollars in trying to secure a title to the property but failed and died in despair and broken-hearted. In the days of his prosperity he was liberal to a fault contributing to all worthy causes.

On the 15th of March, 1846, while California was still under the Mexican government. Dennis Martin purchased, by deed of warranty, a specific portion of the ranch of "Canada de Raymundo" by metes and bounds, which were clearly fixed by the judicial possession of the Rancho of Las Pulgas in 1836, which judicial possession is referred to in the decision of the U. S. Supreme Court, in 18th Howard, pages 543 and 544.

Dennis Martin immediately after the purchase of the land of Juan Copplinger he built a house and brought his family to the ranch which he stocked with horses and cattle and built corrals and fences.

Some time afterwards he constructed a saw mill and grist mill and eight or nine houses for his workmen and had a large part of the land fenced in and cultivated, and had an orchard of 1000 bearing trees.

Mr. Martin also built a church on the land and fenced it in, with land adjoining it, sufficient for all church purposes, including that for a graveyard.

The church was known as "St. Dennis." It was the first Catholic church erected in San Mateo county.

Notwithstanding all this, Martin was afterwards ejected from the land under the illegal Pulgas patent.

The graveyard he gave to the public is now a part of the great Stanford University domain. It is neglected. The grave of the generous old pioneer is unmarked and it is doubtful if it could be discovered in the cemetery where sleeps a number of the early settlers of the county whose graves like that of Mr. Martin's are unmarked and unknown.

FOR GOVERNOR
JAS. ROLPH, Jr.

Associate Justice of the Supreme Court

Thos J. Lennon

ROLPH FOR GOVERNOR

Mayor James Rolph, Jr., whose home is in San Mateo county, is going to receive a big vote in this section. The people owe it to him. Here he spends his leisure time. Here he expends large sums of money. He is one of us and will do more for this part of the state than will any other candidate for governor. It was through the efforts of Mr. Rolph that Camp Fremont was located in this county. We all know what that big cantonment has been to the peninsula. This act alone would be, a big factor in securing for him the almost entire vote of the people of San Mateo county. We feel certain that the people will appreciate his efforts on our behalf by giving him a rousing vote.

Mr. Rolph has made the most progressive mayor San Francisco has ever had. He is a business man and has given the city a splendid business administration which has made San Francisco one of the foremost and progressive municipalities in the country. His administration has been clean and free from graft. He has personally watched all branches of the city government and has applied his business methods, which have made him famous as a ship builder, in the conduct of the affairs of the city with good effect so that it is run on sound principles and to the interest of the taxpayer.

If elected governor he will pursue the same policy in giving to the people a sound business administration, watching every detail, curbing the tax eater and using economy in all branches o the state department.

The Times-Gazette has endorsed his candidacy and will use all its influence to secure for Mr. Rolph a large portion of the vote of San Mateo county.

JUDGE LENNON IS THE LOGICAL CANDIDATE

When a man is well spoken of in his own home town it is a pretty good indication of his worth and character. There he is closely observed by his neighbors, watched by the townspeople and if he possesses good qualities they soon learn of it and if he does not measure up to the standard he is soon found out. That Judge Thomas J. Lennon, the candidate for associate justice of the supreme court is held in high esteem at home in Marin county is shown by the following article appearing in the San Rafael Independent recently:

"Judge Thomas J. Lennon, presiding Justice of the Court of Appeals, sitting at San Francisco, and the favorite son of Marin county, where he earned the everlasting gratitude of her peoples for his impartial, just and able administration of justice as Superior Judge of this county for eight years, is presenting his candidacy to the electorate of the state at the August primaries for one of the two positions to be filled on the State Supreme bench.

Since his elevation as Presiding Justice of the Court of Appeals, he has displayed such marked ability in the conduct of that office that Herbert Harley of Chicago, secretary of the American Judicature Society to promote the efficient administration of justice and authority on court reforms, wrote a personal letter to the San Francisco Bar, speaking in the highest complimentary terms of what he termed the "Lennon plan," inaugurated by Judge Lennon in the Appellate Court of California, for expediting the decisions of appealed cases by the bench. Every lawyer who ever practiced law before Judge T. J. Lennon immediately recognized his wonderful knowledge of the law and sung his praises for his fearless impartiality in dispensing justice. In Marin county he was the choice of all, regardless of political parties, and his decisions both as Superior Judge and on the Appellate bench, mark him as one possessing an exceptional judicial temperament and a master judicial mind.

The Supreme Court of the land today are yearning for Judges of the ability of Judge Thomas J. Lennon, and from what we are informed today the electorate of California, regardless of political affiliations, will honor him with their suffrage on primary election day."

LOANS TO OUR ALLIES

The United States has now loaned to our allies $6,091,590,000. The advances average about $400,000,000 a month.

These loans to our allies are analogous to lending weapons to friends who are aiding you in the defense of your own home. The money is being used to defeat our enemy, to maintain armies fighting side by side with our soldiers, and fleets patrolling the same oceans with our sailors.

LIFE'S LITTLE JOKES

It is said that the Democratic Congress, at the request of the President, contemplates forbidding the manufacture of beer, but will permit the manufacture of wines to continue. This is said to be due to the bitter opposition which a California Senator has brought to bear against the wine side of the proposition to hold up the manufacture of all alcoholic beverages during the war. This Senator argues that in the making of wines no foodstuffs are consumed, and that to proscribe the wine industry would ruin his State, gratitude to which State for its 1916 support is of such a nature as to presuppose in the mind of Mr. Wilson a "lively exception of favors to come." Without debating the merits of the proposal to hold up the manufacture of alcoholic beverages, let attention be called to the fact that to exempt wines and condemn beers would be an act wholly inconsistent with the policy which Dr. Harry Garfield, fuel administrator, inaugurated when he closed down all the manufacturing industries east of the Mississippi, to "save" fuel. It will be remembered that a large number of the mills which came under the fuel dictator's proscription derived their power from water or electricity, using no fuel for industrial purposes. When these mill owners complained at being included in Garfield's imperial ukase, he reported that he had not considered it fair to close down fuel-consuming mills while permitting the non-consuming fuel mills to operate.

GOOD ENOUGH FOR US

The action of Great Britain in giving notice of the termination of her favored nation treaties, an action which has been previously taken by other European countries, prompts the New York Journal of Commerce to advise that "the United States ought to consider giving notice now of the termination of its commercial agreements and treaties in order that it may be perfectly free to act as it pleases when the time comes." According to the former European interpretation a concession granted to one immediately extended to all countries; according to the American interpretation of the most-favored nation clause, there must be consideration from third countries of the same nature as that agreed upon between us and countries of the sec ond part before the clause applied. Europe is finding it the better policy to adopt what amounts to our interpretation. We had better hold fast to what we have got, and add to it a protective tariff law.

WOOD STANDS STILL IN RANK

A point the American people seem to have overlooked in the petty persecution of Leonard Wood is that while keeping him in the United States he is denied even that promotion which is his due because of his wonderful constructivism and farsightedness, an example of which is seen in the Reserve Officer's Training Camps originated by him. Before the war broke out, and before the administration gathered its switches to flagellate the Man who was Right, Wood was the ranking officer of the United States army—a major general. Since the declaration of war, he has received no promotion whatever, but demotions in the character of his assignments aplenty. Several generals have been made, more lieutenant-generals, and a large number of major generals have been ordered abroad.

INDIVIDUAL RESPONSIBILITY

This war is to be won not by one man or one thousand men or one million men, or one million people. It is to be won by the united efforts of the individuals of many nations.

Every American citizen has an individual share of the responsibility. The more powerful and effective the American forces are the shorter will be the war, and the shorter the war the fewer lives lost, the greater the number of American soldiers who will return home victorious.

Every American who economizes in consumption of materials, who increases production, who saves and lends savings to the government, does something to help win the war.

A LEVER NEEDED

Dr. von Kuehlman, the German Minister for Foreign Affairs, foresees no end to the war through militar successes. Peace must come, he says, through diplomatic means. He speaks, of course, from the Hun viewpoint; since it has become evident that ultimate military successes cannot rest with the Central Powers. Nevertheless, before diplomatic conversations are begun, it will probably be highly useful it the Allies accumulate a few sweeping military successes with which to confront the Teutons when the peace parleys open.

PHILLIP D. WILSON FOR THE BOARD OF EQUALIZATION

Phillip D. Wilson, formerly a popular newspaper man of Los Angeles, for six years secretary of the Los Angeles Realty Board, and well known throughout the state in realty circles, has announced his candidacy as a Republican for member of the State Board of Equalization from the Fourth District, at the primaries August 27th next.

YOUR DUTY TO REGISTER

It is your duty to register and vote at the primary. If you do not register today you will not be able to help your party select a candidate at the primary. Register TODAY.

JUDGE PORTER E. LAMB

Judge Porter E. Lamb, a candidate for justice of the peace of the second township, is certain of election. He has held the position for a number of years, always displaying tact and ability. He is a young man of probity, honesty and of sterling worth. The voters of the second township may be congratulated in having such a candidate for public office. It is to be regretted that there are not more such aspirants for office.

PATRIOTISM WITHOUT EVIL OF HESITATION

If our soldier boys deliberated as long over doing their duty as some of our people at home hesitate over doing theirs, the victory would be doubtful.

It is a sort of financial cowardice to hesitate to put your money in United States government securities, and to deliberate over the wisdom and patriotism of the investment is to hesitate in supporting our soldiers.

FRANK L. EKSWARD

The Logical Candidate

To the thinking voters of San Mateo County, Frank L. Eksward is the only logical candidate for the office of representative of this county in the assembly. Eksward's long work as secretary of the San Mateo County Development Association has brought him into intimate contact with every portion of the county and made him more familiar wiht the needs of the county than probably any other man in the district. Knowing the county and its needs as he does he is able to represent it intelligently in the legislature and when necessary to fight for a bill of importance to his district, his knowledge and reputation for sincere work lends strength to his cause. Besides these essential requirements, the fact that he made such a splendid record during the last session of the legislature where he represented the people of this county ably and well, should bring him the unqualified endorsement of every one who has the interest of the county at heart.

No other man would be able to take up Eksward's work where he left off because it would take a new man the entire time of the session to get on to the primal ropes which must be mastered before any effective work can be done. Eksward is well established and recognized at the capital and it is not only just to him but also to ourselves to return him to his seat in the legislature at the coming primary election on August 27th.

"Put your X after Eksward" is a slogan which carries with it a boost for San Mateo county. See that you bear it in mind when you go to the polls.

REPORT OF SESSION OF BOARD OF SUPERVISORS

The board of supervisors met in adjourned session Monday, July 22, at 10 a. m., there being present Dr. C. V. Thompson, presiding; T. L. Hickey, W. H. Brown, John MacBain and Jos. M. Francis.

Dr. F. S. Dolly of the South San Francisco Hospital and Rev. W. H. Cambridge of the Red Cross Hospital, San Mateo, addressed the board relative to securing some protection in the way of reimbursement for emergency treatment given to persons brought to the private hospitals of the county, particularly those injured in automobile accidents The gentlemen stated that in nine out of ten cases, the hospitals were never able to collect their bills for such treatment and they asked that the county adopt some measure that would make it possible for both the hospitals and the doctors in attendance to be paid for the services rendered.

Supervisor MacBain stated that where persons from San Francisco are given treatment in San Mateo county hospitals, the law provides that that city be held responsible for the payment of the bills. All such cases, he said, should be referred to the County Society Service Commission for collection. While the supervisors cannot collect the bills, he added, they are willing to co-operate in every way possible to see that the hospitals and the doctors are given redress.

Supervisor Hickey suggested the appointment of a committee to go before the San Francisco authorities and lay the matter before them. Before doing this, however, it would be necessary, he stated, to have a standard schedule of charges fixed for all emergency cases.

Dr. Thompson explained that it would be rather difficult to set a standard charge as the cases would be always of a different character.

District Attorney Swart, who was appealed to in the matter, suggested that the board adopt an ordinance making it a misdemeanor for any person to refuse to pay for emergency treatment given at a private hospital.

"I believe, said the district attorney, that the county could better afford to pay for emergency treatments in private hospitals than it could to build and maintain its own emergency hospital.

Acting upon the suggestion of the district attorney, Chairman Thompson directed Swart to prepare the necessary ordinance covering the situation and have it ready for the meeting of August 5th.

Supervisor MacBain submitted plans and specifications for oiling and screening the La Honda road and he asked that the board order this work done at this time. The request was granted, on motion of Brown seconded by Francis, and bids for the work were ordered advertised for the bids to be opened Monday, August 12.

Ordinance No. 301, prohibiting the locating, establishing, or maintaining of a hospital in the county for the treatment of tuberculosis, or other contagious or infectious diseases, was presented by District Attorney Swart and adopted on motion of Brown, seconded by MacBain.

A resolution was adopted by the board, on motion of Brown, seconded by Francis, expressing appreciation for the manner in which the trustees of the Town of Hillsborough carried out their agreement and moral obligation to pay into the road fund of the Second Township, $7,000 each year for a period of eight years in payment for certain concessions granted by the county in 1910.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Misses Querida and Vinita Gibson enjoyed a visit at San Jose with friends Tuesday.

The home of Officer Douglas and wife was made happy by the arrival of a pretty 8¼-pound baby girl Sunday evening.

Mr. Charles Luscher's Del Monte restaurant is gaining in popularity every day, and the merchants' noon unch, with wine or beer is the best ver served in this city.

Miss Lila Genochio gave a party o her young friends at her home in this city last Saturday evening. Danc ng and games were indulged in until a late hour.

Mrs. Beckman, mother of Mrs. Franklin Swart, suffered a paralytic stroke on Thursday and is confined to her apartments at her home in West Redwood.

O. A. Johnson, a former principal of the San Mateo high school but now connected with the war activities of San Diego, was in town Thursday calling on former friends.

Mrs. Rose C. Osorio, a native of California, aged 50 years passed away at her home on Roosevelt avenue on Wednesday and was interred in Union Cemetery yesterday. She had been ailing for some months.

John B. Weller, the manager of the Bank of Italy, is enjoying his annual vacation of two weeks at Santa Cruz. He is accompanied by his wife and daughter.

Miss Petra Johnston came up from Pacific Grove on Thursday to meet her cousin, Miss Johnston, who arrived that day from Salt Lake City. Her father, James Johnston, is a former San Mateo county man and is a brother of J. F. Johnston. He is a wealthy mining operator of Utah.

Sergeant Floyd Granger, well known in Redwood City, is now at Camp Cody, New Mexico, a member of Motor Truck Company, No. 350. He writes that it is hot as the Kaiser when he reads the war news and that, what with the wind and sand, "if it takes grit to win the war, then we have eaten enough of it to lick two or three Kaisers.

Mrs. George Holden and her daughter, Emma, and Mrs. Emma J. Reeves of San Francisco, Mrs. Danforth, Miss Sally Nelson and Miss Dolly Bacon, the popular deputy recorder, are spending their vacation of two weeks on the Rapley ranch near La Honda.

Miss Edna Truman, the domestic science teacher in the local high school, has rented the Miss Sally Nelson home on Main street. Her sister, Miss Nora Truman, will arrive shortly from her home in Illinois to spend the year here with her sister. This will be her second trip to California. She is very much in love with the climate of Redwood City.

Dan Mullen has secured a good position with the Johnson Harness company, wholesale dealers of San Francisco, at his trade as a harness maker. Mr. Mullen has joined the great army of commuters to Redwood City.

If you desire to vote at the primaries on August 27 you will have to register today. County Clerk Jos. H. Nash has kindly consented to keep his office open for the accommodation of voters until 9 o'clock this evening. Don't fail to register.

Mrs. Arthur Mighall is planning an entertainment and dance in the Alhambra for the benefit of the Red Cross Society. The affair will take place on August 24. Mrs. Mighall is securing some excellent talent for the occasion.

The ladies of the local Red Cross Society have resumed their sewing at the rooms in the Congregational church. All the members are requested to come and resume their work as a big order of clothing has to be completed by October first.

Mrs. J. F. Johnston and her daughter, Petra, and Miss Pauline Hanson, are at Pacific Grove for a two weeks' vacation. They were joined at the Grove by Miss Gertrude Beeger and Miss Lulu Beeger during the week.

The Heisler property on Main street has been sold to Henry McGarvey and his associates who own the adjoining realty. The land brought a good figure. The building on the property was occupied by the O. K. Saloon up until the saloons in town went out of business on July first.

Miss Josephine Klotz, for a number of years the popular deputy in the county recorder's office, resigned her position yesterday and has accepted a clerical situation with the Schaw-Batcher Ship building company at South San Francisco. Miss Klotz is a competent accountant and typist and was extremely popular with her associates in the recorder's office and with all having business with that department. She will long be remembered in that department of the county government.

Frank Fitzpatrick, formerly assistant cashier of the Bank of Italy, but now a member of Uncle Sam's navy writes from New York that he has been granted a furlough for thirty days and that he will soon leave for the coast to spend some time with his parents at Redwood City. Mr. Fitzpatrick is a clerk in the paymaster's department of the navy and is located in New York City. He enlisted last year and spent some time at the naval training station at San Diego before going to New York. His brother, Joseph, has joined the naval reserve, enlisting as an apprentice seaman. He expects to be called within two weeks. He has been attending the University of Santa Clara for the past five years. Both young men are the sons of Judge and Mrs. Fitzpatrick of this city.

INTERESTING ITEMS FROM SAN CARLOS

Happenings in Our Northern Neighbor Town Reported by One of Its Residents

Mrs. A. Faget from Sacramento is a guest at the Edward E. Jones' home

Mr. and Mrs. Richard J. Shields has chosen the Lake Tahoe regions for their outing this season.

Miss Juanita de Lo Pez from Morgan Hill is visiting at the home of her aunt, Mrs. Mary E. Quinn.

The Misses Olive and Helen McDonnell have returned to their home in Oakland after a protracted visit at the home of their aunt, Mrs. Fred W. Lippman.

Mrs. Dranzy A. Jones has returned home after several days visit with friends and relatives in San Francisco.

Asa Hull has shipped several car loads of his dairy cows to Hollister where feed is more plentiful than in this section. The milk will be shipped to the San Carlos creamery at Redwood.

From the exchange of compliments between the various candidates it would appear that our little court house family had developed into a mutual admiration society.

A number of the candidates for public office are fine looking men; and if the same rule applies as in matrimony we fear many of them will be disappointed for all of our married men are homely fellows.

Mr. and Mrs. Ernest L. West of the tailor firm of Adams and West, San Francisco, have returned from a two weeks' outing at Santa Cruz and are visiting at the home of Jno. V. Clark the parents of Mrs. West. As Miss Edna Clark, Mrs. West was one of our most popular and accomplished girls some years ago.

Mrs. Lester A. Conklin with her maid and three small children and accompanied by Mrs. Anson S. Peterson left last Wednesday morning for a week's outing in the Santa Cruz mountains near Wright station. The Messrs. Conklin and Peterson will follow for the week end.

As an example of prompt service, a cablegram was filed at some point in England by Frank O'Brien late in the afternoon and was received by his folks the following morning. Young O'Brien is connected with the medical staff of the aviation contingent of the army.

Some of our suffragettes are in their proper element during a hot political campaign such as is raging in our midst at this time; and it is at such critical times that they discover that there are other and more important work to which they are suited than that of staying at home minding the babies and baking pies and cakes like mother used to do.

Mrs. C. E. Willett has returned to her home in Berkeley after a pleasant visit at the home of her aunt, Mrs. Virginia A. Lord. As Minnie McLean Mrs. Willett is well known in San Carlos and vicinity where she has spent many of her summer vacations. She has been employed as teacher in the Hawthorn school San Francisco, where Mrs. S. J. Mann is principal, for many years.

Clement E. Loubert who has been stationed at Fort McDowell for several months in the record office left last Thursday en route to New Rochelle, N. Y. where he will join his regiment, 469 Engineers, at Fort Slocum. Young Loubert was employed in the general passenger department of the Southern Pacificprevious to his enlistment; and had it not been for the beautiful San Carlos girls he might never have discovered the "garden of Eden" on this side of the river styx. Our young ladies have had a great deal to do toward putting San Carlos on the map since the war started.

It was like a spring shower to have Coroner Dr. W. A. Brooke of Half Moon Bay drop in on us for he was born to radiate happiness and optimism and he can't help it; you would think of him as the right man to preside at a wake; and we are now convinced that the present board of supervisors made no mistake when they appinted Doc. Brooks to fill out the unexpired term of the late Dr. Plymire and that their good judgment in this one instance will be confirmed overwhelmingly by the people of San Mateo county at the primary election. It is not surprising that so many of our good public officials come from the coast district for as a rule all of our good and great men have their foundations in the rural districts away from the bustle and temptations of our more populous settlements.

DR. C. V. THOMPSON

As the days go on it becomes more apparent that Dr. Thompson will be re-elected by a overwhelming majority. At first some opposition to his re-election appeared but this has been swept away. It is now a case of how large his majority will be. Supervisor Thompson has given the people of the Fifth Township a splendid administration and to defeat him would be the height of ingratitude and folly. But the voters and taxpayers of the district are not going to do this but on the contrary they are going to show their appreciation by giving him an unprecedented vote. By elect-Mr. Thompson the people of the Fifth Township will not only honor the doctor but themselves as well.

It is YOUR DUTY to register and vote at the primary. If you do not register today, July 27, you will not be able to help your party select a candidate at the primary. Register TODAY.

MENTALLY DERANGED WAS COMMITTED TO AGNEWS

Frank P. Blinn, 42 years old, well known Redwood City rancher and insurance broker, a capitalist of Alameda and president of the Burlingame Oyster company, was on Monday committed to Agnews by Superior Judge George H. Buck, following an examination as to Blinn's sanity by Drs. J. L. Ross and J. E. Chapin. Blinn has been acting in a peculiar way since a sudden attack about three weeks ago. Action against him was taken by his wife, Mrs. Elsa K. Blinn of 1325 Clinton avenue, Alameda.

Blinn's particular insane tendencies seem to have their outlet in ridiculous actions about the streets, and the giving of ridiculous orders to his ranch employes.

Blinn is the owner of the well-known Blinn ranch above Woodside.

TO ALL PATRIOTIC CITIZENS

The following appeal to patriotism as issued by the Power Administrator appointed by the Railroad Commission of the State of California:

CONSERVE ELECTRICITY

Patriotism demands that you save electricity for war industries.

Northern and Central California have a **Serious** power shortage because of lack of rain during the past winter and the increased use of electricity by war industries.

These War Industries Must Have Power

There is not enough power for everybody at the present rate of consumption. It is up to you to save. Turn off your lights whenever possible and use lower power lamps.

This is one other thing you can do in the great struggle.
